Maybe even better than free.

Our service is completely free for everyone. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money indata storage fees. The cost of that data transfer is covered by your internet service or the data plan on your phone. No account or credit card is required to getstarted. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer orphone and our servers, then from our servers to your friends device. Any file in any format can be uploaded and downloaded for free. Alternatively you canchoose to share your download links on blogs, forums and social networking sites. filehosting provides an easy possibility for you to send large files to yourfriends. Just upload the file you want to share with your friends and we send you a download link to your file. Files can be downloaded from any computer fromour high speed servers. So try our free and simple filehosting service now. You can upload any type of file (movies, music, documents, images, zip files andmore). Unfortunately, we can't make that part free. Keep your files private, or send your download links only to friends or family. Using file, you cancircumvent those limits without paying to upgrade your team chat service. If only we could, we surely would! On the other hand, using file can actually saveyou money. We have no file size limit. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. It is also allowed to link to thedownload page from websites and communities. You don't need any special software installed to be able to download your files. You decide who you want toshare your files with. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size offiles that can be transferred within their apps. Simply upload your file and share the link. There are no restrictions on the number of times a file can bedownloaded. You can give this download link to your friends by mail or instant messenger. File is free to use with no gotchas and no hidden fees. When youuse file, you avoid storing the file you're sending in your cloud storage or mail server.
