Maybe even better than free.

Keep your files private, or send your download links only to friends or family. We have no file size limit. Any file in any format can be uploaded and downloaded for free. Simply upload your file and share the link. Using file, you can circumvent those limits without paying to upgrade your team chat service. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. You can give this download link to your friends by mail or instant messenger. Alternatively you can choose to share your download links on blogs, forums and social networking sites. No account or credit card isrequired to get started. Files can be downloaded from any computer from our high speed servers. You decide who you want to share your files with. Why paystorage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferredwithin their apps. There are no restrictions on the number of times a file can be downloaded. The cost of that data transfer is covered by your internet service orthe data plan on your phone. Unfortunately, we can't make that part free. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When youshare a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. If only we could, we surelywould! On the other hand, using file can actually save you money. You don't need any special software installed to be able to download your files. It is alsoallowed to link to the download page from websites and communities. Just upload the file you want to share with your friends and we send you a download linkto your file. filehosting provides an easy possibility for you to send large files to your friends. Files transferred the old-fashioned way tend to pile up and beforgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. You can upload any type of file (movies,music, documents, images, zip files and more). Our service is completely free for everyone. This is easy, fast and reliable filehosting! You don't need any kindof premium-accounts. File is free to use with no gotchas and no hidden fees.
