If you require any clarification about our returns policy or warranty information on any specific item then please contact us before making a purchase. We will not contact customers unless there is an issue that relates directly to the purchase. Please also note that normal next working day delivery does not include weekends, parts sent out on a Friday will not normally be delivered until the next normal working day which would be Monday, if you require Saturday or timed delivery please contact us before completing checkout. We ask that you include a contact telephone number when completing the sale for us to place on the couriers manifest, some of our couriers will not accept parcels without a contact number. A signature is required for each parcel. If nobody is available to sign for the parcel then the driver may leave a card and you may have to contact them to arrange redelivery. If nobody is available then the parcel will be returned to us. Please check all items immediately, we cannot be held responsible for any items that have been signed for as ok and then later reported as missing from the parcel or damaged. Any references made to specific manufacturers and OEM part numbers are for guidance and identification purposes only and does not imply that any parts supplied are purchased direct from the OEM. Parts supplied as alternatives may differ from the OEMs exact specifications. Some components may have been superseded or supplied as an alternative by the manufacturer, we will endeavour to keep descriptions up to date with any changes notified in the item description. RETURNS AND REFUND POLICY We will gladly refund the full payment amount excluding carriage charges if you have purchased an item in error,

no longer require the item or find it is not suitable for the purpose you bought it for as long as the item is returned unused, in its original condition and fully resaleable within 30 days of receipt.<http://kuryakyn.ru/userfiles/corning-pc-420d-manual.xml>

We cannot refund the original outgoing carriage charge for items that have been ordered in error. Return carriage charges have to be at the buyers expense and items must be sent recorded or secure delivery to enable a full refund. WARRANTY INFORMATION Unless otherwise stated in the item description, all items for sale are offered with a thirty day warranty against fault or manufacturing defects with the exception of Water Pumps, Electrical Motors, Heating Elements, PCBs, Digital Controllers, Rubber Gaskets, Glassware and Lamps. These items are not offered with any warranty. The reason that these particular spare parts are not supplied with any warranty is if you have a fault with your existing part or the part has failed completely then you need to establish what caused the part to go faulty before replacing it with a new one, you may have an underlying fault that has led to the failure of the original part and if not rectified could cause the same fault with the new part. Parts should always be diagnosed and installed by a suitably qualified person, if parts are replaced without the correct in depth diagnosis the new part can suffer irreparable damage immediately, for this reason we cannot offer any warranty on certain types of spare parts. WARRANTY CLAIMS If an item does require returning under a warranty claim, we would request a report from a qualified engineer or service company stating the exact nature of the fault and the appliance details of the appliance it was installed on, this needs to include the manufacturers name and the model number of the appliance. The majority of commercial spare parts we sell are not for diy type installation and should only be diagnosed, identified and installed by a suitably qualified person, most manufacturers will not entertain and in some cases reserve their right to refuse warranty claims where specialist parts have been diagnosed, identified and installed by none qualified persons.

Warranty claims will not be accepted for items that have been misdiagnosed, incorrectly identified or damaged due to incorrect installation procedure. LIABILITY DISCLAIMER The seller is not responsible for the diagnosis, identification or installation of any parts supplied which must always be fitted by a competent person. The seller will not accept any responsibility for any losses incurred either as a direct or indirect result of appliance failure, component failure, lost or missing parcels including delayed deliveries. You're covered by the eBay Money Back Guarantee if you receive an item that is not as described in the listing.
